

Fabric Requirement Correction

Gray..... 3 $\frac{3}{4}$ yds ----- THIS IS INCORRECT

Correct yardage should be **4 $\frac{1}{2}$ yds**

Using the original 3 $\frac{3}{4}$ yds requirement, you will not have enough fabric to make the top/bottom border Square in a Square blocks.

You will have enough to finish the interior blocks and for the inner border WOF strips.

(You will actually be sort approximately 20", using the 3 $\frac{3}{4}$ yds to make the Square in a Square blocks).

If you are unable to find more of your Gray fabric, I recommend using a coordinating fabric for these blocks.

If you ordered a Kit from the link on the BOM homepage, please email me ASAP! leann@persimmonquilts.com

I am truly sorry for this mistake, and apologize for the late notice, as I was just made aware of the error.
